The Virginia Kind

HOME AGAIN CLIPPER ROSE x
Grand Champion Female, 1958 Polled Shorthorn Congress.
Sold for \$2525.00 to Sunset Hills Farm, Fairfax County, Virginia.

Annual Sale 1915 - 1958

Announcement

The 1958 Polled Shorthorn Congress again demonstrated the outstanding quality of the cattle bred by consignors to this sale. At this show, Home Again Farm, Franklin, Virginia, showed the Grand Champion and top selling female. The same farm consigned Home Again Commander X, top selling bull at \$2,010.

We are happy to record this current proof of the quality of cattle that is bred by members of this association. In 1951, W. H. McCeney had the Grand Champion Female and in 1949, Farmley Farm had the Champion Bull. Over the years other members have had Congress champions, both male and female and the breeding that produced these outstanding animals is available in this sale.

Possibly something that is of most interest to the buyer is the winnings of descendants of cattle that have been sold in Winchester sales. The dams of Cherry Hill Royal Oak X and Cherry Hill Spicy X, were two outstanding examples that come to mind and there are many others.

This is the sale where you can buy good quality cattle with the best of pedigrees and consigned by a group of dependable breeders.

You are cordially invited to

be our guest for supper

ECHO GOODYEAR x - This is truly the most outstanding bull we have ever sold. Out of a member of Harry Cannaday's famous Village Queen family and by his good herd sire, this deep red calf is very smooth, with an exceptionally good polled head. He stands on heavy bone, is well put together and a calf that would have become our next herd sire had we not wished to follow with a Lynwood bred sire. We have bred all of our Lanedale Leader daughters to this calf. Herd T.B. & Bangs Accredited.

Standard Guarantee

ENDORSED BY

**AMERICAN SHORTHORN BREEDERS'
ASSOCIATION**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as the service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
